MY NEW CD RELEASE

My dearest Friends,

I hope you are all well. My long tour in the States ended on March 30. It was a very beautiful experience that took me to 23 different states where I met wonderful people and made new friends. From the cold weather of South Dakota to the sun of Florida, from the hamburgers of Wyoming to the fried cat fish of Arkansas I found myself in a series of adventures and surprises.

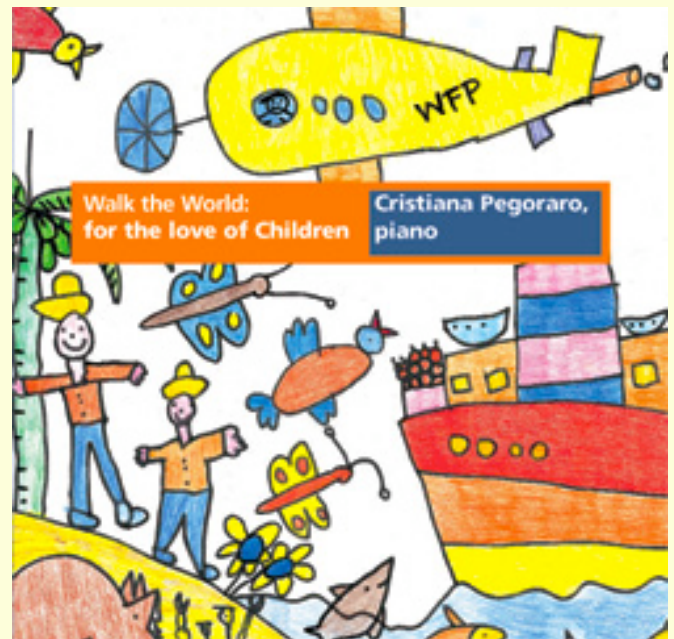

As soon as I finished my tour I started working on a new CD in collaboration with the **World Food Program** and **Fight Hunger: Walk the World**. It is my pleasure to introduce you to this CD because I put in it all my soul and passion and I'm very happy to be able to support, through this project, such an important cause.

“WALK THE WORLD: FOR THE LOVE OF CHILDREN”

Art in all its forms, and music in particular, is the universal language that can bridge cultural differences, promote greater understanding and tolerance worldwide, and heal the wounds in these politically troubled times. For this CD, I chose a program that builds an imaginary bridge between Europe and the Americas, combining some great works familiar to most music lovers and premiering some of my own creations dedicated to children.

Here is the program:

- Schubert: Impromptus Op.90 No.3 & No.2
- Mozart: Turkish March
- Beethoven: Adagio from the "Moonlight" Sonata
- Chopin: "Aeolian Harp" & "Revolutionary" Etudes
- Pegoraro: Children's Songbook Vol.1 & 2 (World Premiere)
- Nazareth: Brazilian Polka Ameno Reseda'
- Lecuona: Spanish Dances Andalucia & Malaguena
- Piazzolla/Pegoraro: Tangos

In this CD I'm presenting a program dedicated to **LOVE, HOPE and PASSION.**

LOVE needs no spoken language for expression and can be limitless. It is free of any affiliation and nurtures hope.

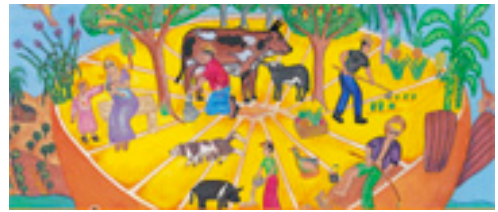

HOPE has many doors that open all sorts of possibilities, giving life even in the midst of despair, fueling unrestrained passion. It is through **PASSION** that our spirit grows, enabling us to attain our highest goals.

With this recording, I'm embarking on a relationship with the **World Food Program** in support of children. WFP projects reflect my philosophy, as the food provided by WFP alleviates child hunger, helps children to go to school, and supports them to discover and achieve their full potential for **LOVE, HOPE, PASSION and PEACE.**

The **32 page book** that contains the CD has been illustrated by children who eat and learn thanks to WFP school feeding.

I will present this CD in **ROME**, in the enchanting Piazza del Popolo, on **Sunday, May 21**, at 12.30PM in a concert on the occasion of **Walk the World** (Piazza del Popolo, 10am - 12noon).

FIVE THOUSAND PEOPLE ARE EXPECTED!

It will be an honor to share the stage with actress Maria Grazia Cucinotta and the mayor of Rome Walter Veltroni, beside others.

The World Food Program (WFP) is the food aid arm of the United Nations, feeding some 90 million hungry, poor people in more than 80 countries annually, including 61 million children. WFP is especially proud of its school feeding programs, which enable poor children to attend school and receive a nutritious meal daily. Visit www.wfp.org for more information.

"Fight Hunger: Walk the World" is organized annually by WFP and its partners. It is the largest global demonstration of concern about child hunger, calling on governments, civil society, the private sector and all citizens to take action to end the scourge of child hunger. MY FIRST LESSON AT “JUILLIARD” IN NEW YORK

On April 4, 2006 I gave a guest lecture on the business of music at Juilliard, in the class of famous programmer-writer Robert Sherman. I spent two interesting hours with the students teaching them some of the tricks to succeed in the crazy world of music and manage their own careers independently from agents. This is a very important issue for anyone who wants to start an artistic career.

In this regard, I'm writing a book where I analyze all the aspects of a concert career, giving practical advice on how to run such a thrilling, but challenging activity.

FINALLY A VACATION!

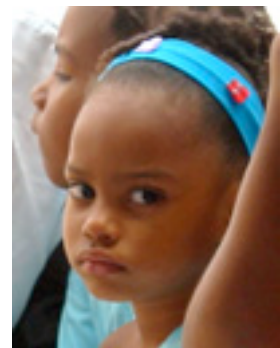

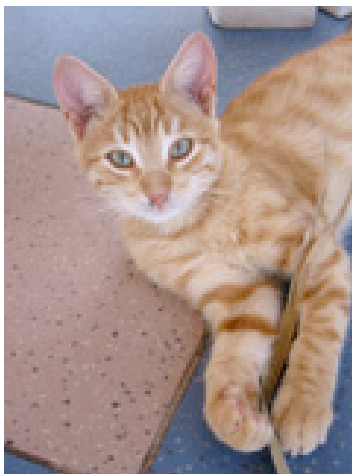

After months of concerts and no rest, in April I decided to go on vacation.

I chose the island of SAL in the Cape Verde Islands, a small archipelago off the coast of Senegal, in Africa.

The weather was fantastic, sunny and dry, and a constant breeze made it perfect for sun bathing.

Here are some pictures!
